Portfolio Website Documentation

Overview

This portfolio website showcases the personal and professional profile of **K. Satya Sai Nivas**, a Computer Science Engineering student.
The site is divided into sections like **Home**, **About**, **Skills**, and **Contact**. It's built using **HTML** and styled with **CSS** for responsiveness and aesthetic appeal.

Structure Explanation

1. **Navbar**: Contains the site logo and navigation links to internal sections.
2. **Home**: Introduces the individual with a circular profile image and a personal description.
3. **About**: Lists educational background including High School, Intermediate, and B-Tech.
4. **Skills**: Highlights technical and soft skills using bordered content boxes.
5. **Contact**: Shows contact information and social media profiles with icons.
